NATURE PRODUCES,
WE PRESERVE.

IFTEKHAR AHMED & CO.

Over 6 decades we have grown from a small family operated firm into one of **Pakistan's largest export companies of fruits and vegetables.**

We have perfected the art of producing the freshest fruits, vegetables, pulp, concentrates & juices by ensuring the highest standards at every step of the production – from growing our own fresh produce such as Kinnow (Mandarin), Mangoes, Onions and Potatoes and also source best quality fruits for processing top-quality value-added ingredients for serving renowned food & beverage industries and offering our own fruit beverages in Tetra Pak for the consumer as well.

OUR VISION

“To achieve global leadership by unleashing Pakistan's full agricultural potential to fulfill global dietary requirements through fruits and vegetables in all forms.”
