MANGO PROFILE

THE FRUITS

THAT LIVE UP TO THEIR NAME

SINCE 1960

IFTEKHAR AHMED & CO.

THE COMPANY

Trade is one constituent that remained with civilizations throughout human history. From ancient empires to modern era, exchanging commodities that are rare or not produced in specific regions gave birth to the phenomena of international business. Here at IAC, we understand this age old concept fully well and integrate it seamlessly across our business model and that's one prime reason why we can safely dub ourselves as the exclusive exporters of finest Pakistani produce to the rest of the world – fruits and vegetables that is.

Iftekhar Ahmed & Company (IAC) has been a force to reckon with for over half a century of successful operations in the industrial sector of fruits and vegetables with an export footprint stretching over 40 countries across the globe. Our reputation exceeds our own expectations and we thrive with zeal with this underlying principle.

FLOW DIAGRAM

VISION

To be a leading supplier of fresh fruits, vegetables and related value added ingredients to global and local super markets and renown brands of food, beverage, dairy & bakery around the world.

OUR BRANDS

Our fresh produce is marketed through the following brands:

HOT WATER TREATMENT (HWT) FACILITY

The Pakistan's Mangoes possess excellent flavor, taste, aroma, vibrant shades and beneficial nutritional values which helps in reducing cancer & heart diseases, due to exceptional attributes it is recognized as one of the best among mango lovers.

HEALTH BENEFITS OF MANGOES

Mango fruit is rich in pre-biotic dietary fiber, vitamins, minerals, and poly-phenolic flavonoid antioxidant compounds.

According to new research study, mango fruit has been found to protect against colon, breast, leukemia and prostate cancers. Several trial studies suggest that polyphenolic anti-oxidant compounds in mango are known to offer protection against breast and colon cancers.
